SECTION 2. ASSIGNMENT AND SALE

2.1 Subject to the terms and conditions of this Agreement, the Assignor does hereby assign, transfer and set over unto the Assignee all the Assignor's right, title and

interest in and to the Purchase Agreement (except to the extent reserved below), including, without limitation:

(a) the right upon valid tender by the Manufacturer to purchase the Items of Equipment pursuant to the Purchase Agreement (including the right to accept delivery of the Items of Equipment and the records and other documents relating thereto), the right to take title to the Items of Equipment and the right to be named the "Buyer" in the bill of sale to be delivered by the Manufacturer for the Items of Equipment pursuant to the Purchase Agreement;

(b) all claims for damages in respect of the Items of Equipment arising as a result of any default by the Manufacturer under the Purchase Agreement including, without limitation, all warranty and indemnity provisions contained in the Purchase Agreement, and all claims arising under or in connection with the Purchase Agreement in respect of the Items of Equipment;

(c) any and all rights of the Assignor to compel performance of the terms of the Purchase Agreement in respect of the Items of Equipment;

(d) all rights and remedies that the Assignor may have against the Manufacturer with regard to each Item of Equipment in respect of any warranty, express or implied, as to title, materials, workmanship, design or patent infringement;

reserving to the Assignor, however:

(i) to the extent the Purchase Agreement is deemed to relate to other property, all of the rights in the Purchase Agreement not related to the Items of Equipment;

(ii) all the rights to, interests in, credits for and repayment of any advance payments made or to be made in respect of the Items of Equipment under the Purchase Agreement and any other payments made or to be made by the Assignor in respect of the Items of Equipment under the Purchase Agreement and amounts credited or to be credited by the Manufacturer under the Purchase Agreement; and

(iii) with respect to the Items of Equipment, so long as the Items of Equipment are leased to the Assignor pursuant to the Lease Agreement, (A) the right

to demand, accept and retain all rights in and to all property (other than the Items of Equipment), data and services that the Manufacturer is obligated to provide or does provide pursuant to the Purchase Agreement, and (B) the right to obtain services pursuant to the Purchase Agreement.

2.2 The Assignee hereby accepts the foregoing assignment, subject to the terms hereof.

2.3 Notwithstanding the foregoing, so long as the Assignee has not declared the Lease Agreement to be in default pursuant to Section 15 thereof, and after such declaration if and so long as all Events of Default thereunder have been cured in accordance with the Lease Agreement, the Assignee hereby authorizes the Assignor to exercise to the exclusion of the Assignee, and the Assignor shall exercise in the Assignor's name, all rights and powers of the "Buyer" under the Purchase Agreement including, without limitation, the right to retain any recovery or benefit resulting under the Purchase Agreement in respect of the Items of Equipment, except that;

(a) the Assignor may not exercise any of the rights assigned hereunder referred to in clause (a) of Section 2.1 unless prior to the exercise thereof the Assignee shall have delivered on the Delivery Date to the Manufacturer written notice that the Assignee has released such rights with respect to the Items of Equipment; and

(b) the Assignor shall not enter into any change order or other amendment, modification or supplement to the Purchase Agreement without the prior written consent of the Assignee if such change order, amendment, modification or supplement would:

(i) substitute another diesel locomotive for an Item of Equipment that the Assignee is entitled to purchase under the Purchase Agreement;

(ii) increase the Purchase Price (without prejudice to the operation of Section 7);

(iii) postpone the Delivery Date beyond February 26, 1993 (without prejudice to the operation of Section 7); or

(iv) except as provided in the Purchase Agreement, result in any rescission, cancellation or termination of the Purchase Agreement.

2.4 Notwithstanding any provision herein to the contrary, the assignment set forth in Section 2.1 (b), (c), (d) and (e) shall terminate with respect to any Item of Equipment, and all such rights and remedies thereunder with respect to such Item of Equipment shall revert to the Assignor, upon the purchase by the Assignor of such Item of Equipment pursuant to Section 9, 10, 15 or 19 of the Lease Agreement.

2.5 It is understood that the execution by the Assignor of this Agreement is subject to the condition that concurrently with the delivery of the Items of Equipment, the Assignee shall lease the Items of Equipment to the Assignor under the Lease Agreement.

SECTION 3. PERFORMANCE

3.1 It is expressly agreed that, anything herein contained to the contrary notwithstanding:

(a) on or prior to the Delivery Date the Assignor shall secure execution by the Manufacturer of the "Consent and Agreement" in the form attached as Annex A hereto;

(b) prior to the Delivery Date the Assignor shall perform the obligations to be performed by it with respect to each Item of Equipment under the Purchase Agreement on or before the Delivery Date;

(c) the Assignor shall exercise its rights and perform its obligations under the Purchase Agreement to the extent that such rights and obligations have not been assigned hereunder;

(d) the Assignor will at all times remain liable to the Manufacturer under the Purchase Agreement to perform all the duties and obligations of the "Buyer" thereunder to the same extent as if this Agreement had not been executed;

(e) the exercise by the Assignee of any of the rights assigned or performance of the duties or obligations assumed hereunder will not release the Assignor from any of its duties or obligations to the Manufacturer under the Purchase Agreement, except to the extent that such exercise by the Assignee will constitute performance of such duties and obligations; and

(f) except as provided in Sections 3.5 and 4 below, the Assignee will not have any obligation or liability under the Purchase Agreement (including, in particular but without limitation, any liability under Section 10 of the Purchase Agreement for payment of any taxes referred to therein, the obligation for the payment of which will remain with the Assignor as provided in paragraph (d), above) by reason of, or arising out of or in connection with, this Agreement or be obligated to perform any of the obligations or duties of the Assignor under the Purchase Agreement or to make any payment (other than to pay to the Manufacturer an amount equal to the Purchase Price on the Delivery Date, to the extent and upon the terms and conditions set forth in the Purchase Agreement, this Agreement and the Consent and Agreement) or to make any inquiry as to the sufficiency of any payment received by it or to present or file any claim

or to take any other action to collect or enforce a claim for any payment assigned hereunder.

3.2 Nothing contained herein will subject the Manufacturer to any liability to which it would not otherwise be subject under the Purchase Agreement or modify in any respect the Manufacturer's contract rights thereunder nor require the Manufacturer to transfer title to or possession of any Item of Equipment prior to receipt of payment in full of the Purchase Price therefor as provided in the Purchase Agreement; provided, that payment by the Assignee of the Purchase Price will constitute payment in full of the purchase price of the Items of Equipment referred to in Section 2 of the Purchase Agreement as having a "1st Quarter 1993" delivery.

3.3 The Assignor hereby appoints and constitutes, effective upon the occurrence of an Event of Default under the Lease Agreement and so long as such Event of Default is continuing thereunder, the Assignee, and its successors and assigns, the Assignor's true and lawful attorney, irrevocably, with full power (in the name of the Assignor or otherwise) to ask, require, demand, receive, compound and give acquittance for any and all monies and claims for monies due and to become due under or arising out of or in connection with the Purchase Agreement to the extent that the same have been assigned by this Agreement and, for such period as the Assignee may exercise rights with respect thereto under this Agreement, to endorse any checks, drafts, orders or other instruments in connection therewith and to file any claims or take any action or institute (or, if previously commenced, assume control of) any proceedings and to obtain any recovery in connection therewith that the Assignee may deem to be necessary or advisable with respect to such monies and claims for monies.

3.4 (a) Any notice, declaration, instruction, demand, request, consent, approval or other communication (a "communication") to be made under or pursuant to this Agreement will be made only in writing and may be given by airmail, telegram, cable, telecopy or telefax or any other customary means of communication, and any such communication shall be effective when delivered (i) if to the Manufacturer, at 9301 W. 55 Street, Administration Building, Lobby Desk, La Grange, IL 60665, Attention: Manager of Finance, Telecopy/Telefax: 010-1-312-387-6312, or at such address as Manufacturer may from time to time designate and the Manufacturer shall be entitled and obligated to treat any such communication made by the Assignee as a communication for all purposes of this Agreement, (ii) if to Assignor, at 2001 Market Street, P.O. Box 41425, Philadelphia, Pennsylvania 19101-1425, Attention: Director-Financing, Telecopy/Telefax: (215) 209-5346, or at such address as Assignor may from time to time designate, and (iii) if to Assignee, c/o Babcock & Brown, Incorporated, Hills Plaza, 2 Harrison Street, San Francisco, California 94105, Attention: General Counsel, Telecopy/Telefax: (415) 267-1500, with a copy to Nomura Babcock & Brown Co., Ltd., at Dai-Ichi Edobashi Building, 1-11-1 Nihonbashi, Chuo-ku, Tokyo 103, Japan, Attention: General Manager, Telecopy/Telefax: 81-3-3281-0215, or at such other address as Assignee may from time to time designate.

(b) The Manufacturer will not be deemed to have knowledge of, and need not recognize, the occurrence, continuance, or discontinuance of an Event of Default under the Lease Agreement or any Item of Equipment being no longer subject to the Lease Agreement unless the Manufacturer has received from the Assignee written notice thereof, and when acting in accordance with the terms and conditions of the Purchase Agreement and this Agreement, the Manufacturer may rely conclusively upon any such notice. To the extent that the Assignee asserts any claims or exercises any rights under the Purchase Agreement, the Manufacturer will deal solely and exclusively with the Assignee as the "Buyer" under the Purchase Agreement. Promptly after all Events of Default under the Lease Agreement have been remedied or such Item of Equipment once again becomes subject to the terms of the Lease Agreement, the Assignee shall give written notice of the same to the Manufacturer, with a copy to the Assignor and upon the Manufacturer's receipt of such notice, the Assignor will have all of the rights that it has hereunder and under the Consent and Agreement in the absence of notice from the Assignee of an Event of Default.

3.5 Without in any way releasing the Assignor from any of its duties or obligations under the Purchase Agreement, the Assignee confirms for the benefit of the Manufacturer that, insofar as the provisions of the Purchase Agreement relate to the Items of Equipment when exercising any rights under the Purchase Agreement or when making any claim with respect to any Item of Equipment or other goods or services delivered or to be delivered pursuant to the Purchase Agreement, the terms and conditions of the Purchase Agreement, including, without limitation, the assignment provision will apply to and be binding upon the Assignee to the same extent as the Assignor; provided, however, that nothing contained in this Agreement will in any way diminish or limit the provisions of the Assignor's agreement in Section 8 below with respect to any liability of the Assignee.

SECTION 4. PAYMENTS

4.1 Subject to the satisfaction or waiver by the Assignee of the conditions set forth in Section 3 of the Equity Participation Agreement required to be satisfied on or prior to the Delivery Date and further subject to Section 7 hereof, the Assignee agrees to pay on the Delivery Date to the Manufacturer, in consideration for the transfer of all the right, title and interest in and to the Items of Equipment in accordance herewith, the Purchase Price by transfer of the amount thereof to the account specified by the Manufacturer.

4.2 Notwithstanding any other provision herein, in the event that any change in any applicable law, rule or regulation or in the interpretation or administration thereof will make it unlawful for the Assignee to pay or fund the Purchase Price, then the Assignee will forthwith notify the Assignor thereof, and the obligation of this Agreement, including that of the Assignee to pay the Purchase Price pursuant to Section 4.1, will, if

such payment has not been made, cease to have any effect and this Agreement will be without further force or effect.

SECTION 5. FURTHER INSTRUMENTS

The Assignor agrees that at any time and from time to time, upon the written request of the Assignee, the Assignor will promptly and duly execute and deliver any and all such further instruments and documents and take such further action as the Assignee may reasonably request in order to obtain the full benefits of this Agreement and of the rights and powers herein granted or intended to be granted.

SECTION 6. REPRESENTATIONS AND WARRANTIES

6.1 The Assignor hereby represents and warrants that:

(a) a true and complete copy of the Purchase Agreement has been furnished to the Assignee;

(b) the Purchase Agreement is in full force and effect and is enforceable in accordance with its terms;

(c) the Assignor is not in default under the Purchase Agreement;

(d) the Purchase Price constitutes full, adequate and fair consideration for the Items of Equipment; and

(e) the Assignor has not assigned, mortgaged, charged, pledged or encumbered the whole or any part of the rights assigned hereby with respect to any or all of the Items of Equipment under the Purchase Agreement to anyone other than the Assignee.

6.2 The Assignor hereby covenants that:

(a) the Assignor shall not assign, mortgage, charge, pledge or encumber, so long as this Agreement remains in effect, the whole or any part of the rights under the Purchase Agreement hereby assigned with respect to any or all of the Items of Equipment to anyone other than the Assignee; and

(b) upon delivery of the Items of Equipment to the Assignee pursuant to the Purchase Agreement and this Agreement, the Assignee will acquire such title to the Items of Equipment as would have been conveyed to the Assignor under the Purchase Agreement but for the execution of this Agreement and the Items of Equipment will be free and clear of all liens arising from the act of the Assignor.

SECTION 7. TERMINATION

7.1 Upon the occurrence of an Event of Default under the Lease Agreement, or if the Items of Equipment have not been delivered by February 26, 1993, the Assignee will have the right to terminate this Agreement by notice given to the Assignor and the Manufacturer.

7.2 If any of the conditions set forth in Section 3 of the Equity Participation Agreement are not satisfied or waived as of the Delivery Date, the Assignee will have the right to terminate this Agreement by notice to the Assignor and the Manufacturer, whereupon the Assignee will have no further obligation to the Assignor or the Manufacturer hereunder.

7.3 If the Assignee fails to perform its obligation to purchase the Items of Equipment on the Delivery Date, the Assignor will have the right to terminate this Agreement by giving written notice thereof to the Assignee and the Manufacturer.

7.4 Upon such termination neither party will have any further rights or obligations hereunder, except that the Assignor will remain responsible to the Manufacturer under Sections 3.1(d) and (e) of this Agreement and the Assignor will remain liable to the Assignee under Section 8 of this Agreement, and that such termination will not affect the obligations of the Assignor under the Purchase Agreement, including, without limitation, the obligation that, as between the Manufacturer and the Assignor, should any termination hereunder cause any delay in delivery of the Items of Equipment, the Assignor will be liable for any costs of such delay under the Purchase Agreement.

SECTION 8. INDEMNITIES

The Assignor hereby undertakes to indemnify and hold harmless the Assignee from all claims, costs, expenses, damages and liabilities of whatever kind and nature imposed on, incurred by or asserted against Assignee in any way relating to or arising out of or in connection with the Purchase Agreement and this Agreement or any action or inaction of the Assignor in connection with the Purchase Agreement and this Agreement unless such claims, costs, expenses, damages and liabilities are attributable to or caused by the willful misconduct or gross negligence of the Assignee.

SECTION 9. CONFIDENTIALITY

9.1 The Assignor and the Assignee agree that they will not disclose the terms of the Purchase Agreement to any third party except (a) as required by applicable law or governmental regulation, (b) as required for the financing of the Items of Equipment, (c) with the prior written consent of the Manufacturer, the Assignee and the Assignor, or (d) in connection with any sale or lease of the Items of Equipment. In connection with any

such disclosure of the Purchase Agreement or of the information contained therein pursuant to clause (a) of this Section 9.1, the Assignee or the Assignor, as the case may be, shall request and use its best efforts to obtain confidential treatment of the Purchase Agreement and the information contained therein. In making such request and using such best efforts, the Assignee or the Assignor, as the case may be, shall consult with the other party hereto and the Manufacturer, in making and supporting its request for confidential treatment. In connection with any such disclosure of the Purchase Agreement or of the information contained therein to any other third party pursuant to the clauses (b) through (d) of this Section 9.1, the Assignee or the Assignor, as the case may be, shall cause such person to treat the Purchase Agreement and the information contained therein as privileged and confidential.

SECTION 10. GOVERNING LAW; ASSIGNMENT

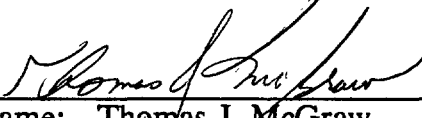

10.1 This Agreement will be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania.

10.2 Except as otherwise provided in the Indenture, neither party may assign any of its rights and obligations under this Agreement without the prior written consent of the other and the Manufacturer.

10.3 This Agreement may be executed in any number of counterparts (and each of the parties hereto shall not be required to execute the same counterpart). Each counterpart of this Agreement, including a signature page executed by either party hereto, shall be an original counterpart of this Agreement but all such counterparts together shall constitute one instrument.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the day and year first above written.

Annex A

CONSENT AND AGREEMENT

This Consent and Agreement is made and entered into as of the 26th day of February, 1993 by the ELECTRO-MOTIVE DIVISION of GENERAL MOTORS CORPORATION, a Delaware corporation (the "Manufacturer"), for the use and benefit of CONSOLIDATED RAIL CORPORATION, a Pennsylvania corporation ("Conrail"), and ELKHART LOCOMOTIVE LEASE CO., LTD., a Cayman Islands corporation (the "Assignee").

RECITALS

A. Pursuant to the terms of that certain Purchase Agreement, dated November 12, 1992, between the Manufacturer and Conrail (the "Purchase Agreement"), the Manufacturer has agreed to sell to Conrail, and Conrail has, among other things, agreed to purchase from the Manufacturer, 105 Model SD60M diesel electric locomotives (the "Locomotives"), which number includes the 15 locomotives described on Exhibit A attached hereto and by this reference made a part hereof (the "Assigned Locomotives").

B. Conrail has agreed to assign to the Assignee all of Conrail's right to acquire from the Manufacturer the Assigned Locomotives.

C. As a condition to its entering into the assignment with Conrail relating to the Assigned Locomotives, the Assignee requires that the Manufacturer enter into this Consent and Agreement.

COVENANTS

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Manufacturer hereby covenants and agrees as follows:

1. Consent to Assignment. The Manufacturer hereby consents to the assignment by Conrail to the Assignee of Conrail's right and interest in, under, and to the Purchase Agreement as such document relates to the Assigned Locomotives, including, but not limited to, the right to acquire from the Manufacturer the Assigned Locomotives pursuant to the terms of the Purchase Agreement. The Manufacturer agrees that it shall accept performance by the Assignee of the obligations of Conrail

under the Purchase Agreement with respect to the Assigned Locomotives as though such performance had been made by Conrail.

2. Continuation of Agreements. All representations, warranties, indemnities, and agreements made by the Manufacturer to Conrail in the Purchase Agreement, to the extent such representations, warranties, indemnities, and agreements are applicable to the Assigned Locomotives, shall inure to the benefit of, and may be enforced by, the Assignee to the same extent as such representations, warranties, indemnities, and agreements benefit or may be enforced by Conrail. The Assignee shall not have any obligation or liability under the Purchase Agreement by reason of, or arising out of or in connection with, the assignment between Conrail and the Assignee, or be obligated to perform any of the obligations or duties of Conrail under the Purchase Agreement, except for the payment of the purchase price of the Assigned Locomotives in accordance with the terms of such assignment. Notwithstanding the provisions of the immediately preceding sentence, the provisions of subsections 4(b) and 4(c) hereof shall not be affected thereby and shall remain of full force and effect. Furthermore, all claims, demands, counterclaims, and other defenses which the Manufacturer would, in the absence of such assignment, have had against Conrail shall be available to the Manufacturer against the Assignee to the fullest extent such claims, demands, counterclaims, and other defenses would have been available against Conrail had such assignment not occurred.

3. Representations and Warranties. The Manufacturer hereby represents and warrants that:

(a) the Manufacturer is a corporation duly organized and existing in good standing under the laws of the State of Delaware;

(b) the making and performance of the Purchase Agreement and of this Consent and Agreement have been duly authorized by all necessary corporate action on the part of the Manufacturer, do not require any stockholder approval, and do not contravene the Manufacturer's Certificate of Incorporation or Bylaws or any indenture, credit agreement, or other contractual agreement to which the Manufacturer is a party or by which it is bound; and

(c) subject to the application of general equitable principles and to the application of bankruptcy, insolvency, reorganization, moratorium, or similar laws affecting the rights of creditors generally, the Purchase Agreement and this Consent and Agreement are legal, valid, and binding obligations of the Manufacturer, enforceable in accordance with their respective terms.

4. Rights and Responsibilities. Nothing contained herein shall be deemed to modify or impair the Manufacturer's contractual rights with respect to any Locomotives, or to require the Manufacturer to transfer title to or possession of any of

the Locomotives prior to receipt of payment in full therefor. Furthermore, notwithstanding anything to the contrary contained herein or in any of the documents and instruments entered into by Conrail and/or the Assignee with respect to the Assigned Locomotives:

(a) Conrail shall be and remain fully liable for the performance of its obligations to the Manufacturer with respect to all of the Locomotives, including, but not limited to, the Assigned Locomotives, to the same extent as if the assignment had not occurred;

(b) in connection with the exercise of any rights or the making of any claims against the Manufacturer, its successors and assigns, with respect to the Assigned Locomotives or the goods and services delivered or to be delivered in connection therewith, the terms and conditions of the Purchase Agreement shall apply to, and be binding upon, the Assignee and the Agent; and

(c) the Manufacturer shall not be subject to any liability with respect to any Locomotives, including, but not limited to the Assigned Locomotives, other than as set forth in the Purchase Agreement.

5. Counterparts. This Consent and Agreement may be executed in any number of counterparts (and each of the parties hereto shall not be required to execute the same counterpart). Each counterpart of this Consent and Agreement, including a signature page executed by either party hereto, shall be an original counterpart of this Agreement but all of such counterparts together shall constitute one instrument.

[signatures begin on next page]

IN WITNESS WHEREOF, the Manufacturer has executed this Consent and Agreement, and Conrail and the Assignee have acknowledged and agreed to its terms, as of the day and year first above written.
